Councilmember Pendergraft stated he has issues with increasing the City Manager's spending level because of issues like the repair of the Boom Mower, which he does not support. Councilmember Morris suggested lowering the proposed spending level to \$15,000.00 and review the ordinance again in a year to determine if the increased level is sufficient. Tommy Martin, Park Hill (Wentworth PUD), stated he would like 25' setbacks on Lots 7, 8, 19 and 20 as they are corner lots and a 50' setback would limit the amount of backyards those lots would have. Development Services Director Patel stated staff would support that request.
